

Accessory Part Number

3411312007340P

1. Purpose

This is the Notification to customers that Data Ltd. Inc. (DLI) will officially implement the End of Life for the following part as of June 9, 2010:

3411312007340P

2. Recommended Replacement Model

DLI understands that end of life products can create inconveniences within your operation. The replacement part provides a better performance and environmental specification while providing the flexibility of charging multiple batteries simultaneously.
